Leading Lives to the Right "WAY"

FOR **HE** IS THE WAY, THE TRUTH, AND THE LIFE." JOHN 14:6

is to provide a variety of spiritual and social services for families in need or crisis. The Center works with churches, schools, and other agencies in the community to ensure that the client's needs are served in the best possible way. We want to provide more than just hand-outs. The desire of the Center is to work with our clients over an extended period of time to help them overcome any social, physical or emotional difficulties and help them meet new goals.

NEWS Update MARCH 2016

Dear Partners in Christ,

So much has happened since our last newsletter that I'm not sure where to start. For those who do not already know, one of the most significant changes (especially for me) is that I gave birth to a beautiful baby boy, Samuel Riley Pierce, on July 18th, 2015. Hence the reason you did not receive a newsletter from us last year. My husband and I never imagined having another child

after 21 years, nor did we think it was possible. This little surprise may have rocked my world, but God set everything in place just in time for the ministry to operate smoothly throughout this transition.

One of the things God provided was an insurance carrier that would provide workers' comp. to our small organization. After several months of searching, we finally received coverage just before my maternity leave. This was a huge milestone, allowing us to hire a fourth staff member whom we desperately needed. It also sets us up to add future employees as the ministry grows.

The WAY Center currently reaches out, with the love of Christ, to an average of 50+ clients every month through our Crisis Care, WE-CAN, and WAY Home programs. For more information on these programs and the services we provide please visit our new and improved website at www.thewaycenter.org. Thank you for your continuous prayers and support! We could not do it without you.

Trusting Him,

LeAnn Pierce, Executive Director

Mentors needed!!!

Do you have a heart to teach or mentor? Can you provide biblical counsel regarding the tough issues of life? Are you looking for someone in whom you can invest your time, experience and wisdom? If so, give us a call. The WAY Center is in need of godly women who are willing to walk along side those who are ready to step up and participate in our WE-CAN program. Mentors are vital to this program, increasing the possibility of success for each client.

Meet Leslie

The WAY Center welcomes new staff member Leslie St. Hill. Like many non-profits we each wear multiple hats and Leslie is no exception. Her previous work experience enables her to fill the dual role of case manager and office assistant. We are so blessed to have her on our team!

2015 Client Success Story

← Aimee is a resident of The WAY Home and is soon to complete our WE-CAN Program. She has worked diligently to obtain her Commercial Drivers License, and is currently on the road in the final stages of her "on the road" training. While in the home Aimee also rededicated her life to Christ and is committed to raise her son in a Christian home.
