WAY HOME UPDATES

As we reflect on all that God has done through The WAY Center so far this year, I am grateful to share a few inspiring stories from The WAY Home residents and other program participants. Each testimony is a reminder of God's grace at work through the hope, support, and care provided by this ministry to our local community.

These stories demonstrate the impact of partnership. Together, we are seeing lives changed and hope restored. As Scripture reminds us, "Two are better than one, because they have a good return for their labor" (Ecclesiastes 4:9). Thank you for being a vital part of the work God is doing through The WAY Center.

On page 2, you'll also learn about our **WAY Home Matching Grant Program** and an exciting opportunity to double the impact of your support as we continue helping individuals and families find hope, faith, and healing in Jesus Christ.

When D. arrived at The WAY Home, she was carrying the weight of emotional, psychological, and financial abuse inflicted by family. Struggling with autism, dyslexia, and overwhelming uncertainty about her future, she needed a safe place to heal and rebuild. Through counseling, encouragement, and personalized goal planning, The WAY Center walked alongside her as she regained confidence and hope. Today, D. has a job in accounting, a driver's license, and has saved enough money to buy a car and move into her own apartment. Her journey is a powerful reminder that with support, determination, and God's grace, lives can be transformed.

M. spent a little over a year at The WAY Home. During that time, with the support of The WAY Center, she graduated from Ridge Technical College with a certificate in Administration, obtained her learner's license, and moved into a home of her own. She also received childcare assistance, counseling, household furnishings, and spiritual encouragement, helping her build a strong foundation for a stable and independent future.

PROGRAM PARTICIPANT COMMENTS & STORIES

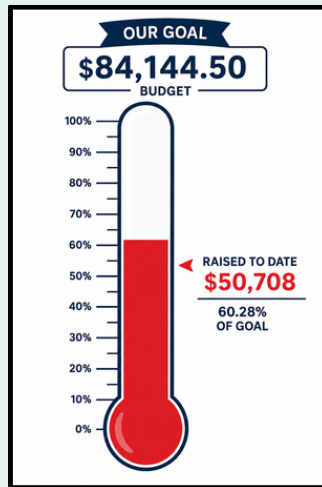

FN - "Even though I no longer live in Florida, I still remember the lessons learned during FOCUS Groups and put them into practice. I miss everyone at The WAY Center."

OA - "I am writing to extend my deepest gratitude for the incredible generosity you showed in providing Christmas gifts for my children. Without your support, we would have faced a very difficult holiday season due to the hardships our family has been going through. Your kindness truly made a difference and brought joy and hope into our lives."

RJ's story - An elderly couple first came to The WAY Center for food assistance after taking in two teenage family members and facing financial hardship. Over time, a meaningful relationship developed with the family. When the wife became seriously ill and later passed away, The WAY Center provided prayer, encouragement, and support during his time of grief. Though he continues to face challenges, he recently stopped by the Center with fresh eggs to share, knowing he has a caring community that continues to walk alongside him.
